Modify Event Settings

- Modify a plethora of Event Settings

The screenshot displays the 'Odience Support' dashboard for 'EVENT SETTINGS'. The interface is dark-themed and includes a top navigation bar with tabs for 'SUMMARY', 'INVITATIONS', 'FEATURES', and 'IN-STREAM SERVICES'. A left sidebar contains icons for various settings. The main content area is titled 'EVENT SETTINGS' with the subtitle 'Modify Your Event Settings'. It features four settings sections: 1. 'Send Events In Cart Message' with a 'Send Cart Reminder' button. 2. 'Chat Stream History' with a dropdown menu set to 'XML' and a 'Download' button. 3. 'Maximum Featured Users' with a text input field containing '5' and a 'Save Settings' button. 4. 'Maximum Stream Messages' with a text input field containing '100'. A user profile icon is visible in the top right corner.
