

Assign a Video Wall

What is a Video Wall?

- Video Walls elevate your event by allowing you to display products and communicate with event participants.

- Click the "i" icon to see get a glimpse of what you can achieve with Odience Video Walls.

Assign a Video Wall

- Create or assign an existing video by selecting one from the options in your dropdown. Click Assign and you are good to go.

- To create your very own custom Video Wall, click here to see our [Create Video Wall](#) guide.
