

Pro Publisher

- For more information on Pro Publisher device, email us at info@summit-tech.ca or contact us [here](#).

The screenshot shows a dark-themed web interface for registering a publisher device. At the top left, there is a back arrow and the 'Odience Support' logo. A vertical sidebar on the left contains several icons. The main content area is titled 'REGISTER PUBLISHER DEVICE' and includes a sub-note: 'The device must first be registered before use'. Below this, there is a section for 'Registration Code' with four empty input boxes. A text instruction reads: 'Turn on the computer provided in the Pro Publisher kit to obtain your registration code.' Further down, there are two input fields: 'Pro-publisher Name' and 'Password', each with a small 'Tt' icon to its left. Below these fields are two text boxes with placeholder text: 'Enter Device Name' and 'Enter Device Password'. A red 'Register' button is positioned at the bottom right of the form area.
